## ABOUT THE ARTIST

I am a 28-year-old abstract painter from Prague, currently living in Ireland. My paintings are a reflection of my inner world and all kinds of emotions I experience. I'm mainly inspired by various moments in my life, nature or other art I'm surrounded by. My intention is to invite others to look into my paintings and find a piece of themselves that they need to see.

I love to see beauty and goodness in every little thing. So I decided to transform this feeling into my paintings where I can fully express myself and bring a piece of myself into other's homes.

I studied graphic design and then began travelling to collect inspiration. Any kind of creation has been natural to me since childhood when I attended all art groups and ceramics classes.

If you want to peek into my daily artist life you are most welcome to follow me on Instagram [@artyna\\_sestak](https://www.instagram.com/artyna_sestak).
